- Athletes must pay a \$50 non-refundable deposit to hold their 2011 Worlds slot by the date given by USA Triathlon.
- Age group winners will have two weeks to pay the \$50 non-refundable deposit and hold their slot on Team USA once USAT has contacted them via email. If the age group winner declines a Worlds slot, the roll down process will begin. The roll down athlete will be given a two week deadline from the deadline date of the age group winner.
- Once ITU announces the entry fee for the World Championship in Spain all athletes who registered and paid the \$50 non-refundable deposit will then need to pay the ITU entry fee by the deadline given by USA Triathlon.

Process for accepting your slot on Team USA

- USAT will follow up with an email within a week of each qualifying event instructing automatic qualifiers on how to pay the \$50 non-refundable deposit to hold their Team USA slot. ** Athletes **must** go to the designated registration link provided in the email by the specified deadline to officially hold his/her slot on Team USA.
- Roll down athletes will also be e-mailed and informed of their position on the roll down list.
- Any athlete who neglects to follow these instructions and does not meet the deadlines may face the consequences of losing his/her slot on Team USA.
- If a qualified athlete does not receive an email (possibly due to spam protection or other technical difficulties), be sure to email Team USA at teamusa@usatriathlon.org or call 719.955.2674.
- When an athlete has registered, paid the \$50 non-refundable deposit, and received confirmation, he/she has officially **held** his/her slot on Team USA.
- When ITU announces the exact entry fee for the World Championships, USAT will then email the athletes who officially held his/her slot and inform them of how to officially accept his/her Team USA slot by paying the ITU entry fee.
